Polish Interpretation of this week's Gospel

Bóg chce być wszystkim we wszystkich, jak mówi św. Paweł w swoim liście. Dlaczego? Ponieważ jest czystą miłością. Bóg zaprasza nas dzisiaj byśmy nie tylko myśleli, o naszym życiu, o naszych potrzebach ale także o innych. Chce, żebyśmy się stali jak rodzina dla innych ludzi. Chce, byśmy wypełnili jego słowa i żeby On mógł być wszystkim we wszystkich. Bóg żyje w naszych sercach, ale możemy się Nim dzielić, okazując innym życzliwość Bożą.

God wants to be everything in everyone as St. Paul says in his letter today. Why? Because He is a pure love. God invites us today to think not only about our lives, about our needs, but also about others. He wants us to become like a family to other people. He wants us to fulfil His words and that He 'may be all in all'. God lives in our hearts, but we can share Him by showing God's kindness to others.

Sisters and brothers, with the current array of uncertainties associated with the Covid-19 pandemic, many questions about so many concerns have been posed but, as yet, have not been met with a response. For us as a Catholic worshipping community one such question remains the Christmas Liturgical schedule. With the present 'lockdown' to continue until 1 December, we are not in a position to know what are the possibilities open to us. Suffice to say, Christmas liturgy will be celebrated. However, as to its delivery platform, we do not know at the moment. Be assured that, as soon as we become aware, we will inform you. However, the possible lifting of restrictions on 1 December does not mean 'business as usual.'

November 23rd. *The Feast of the Good Mother, Henriette Aymer de la Chevalerie, co-founder of the Congregation of the Sacred Hearts of Jesus and Mary.* Born in 1767 into a noble family in a village near Poitiers (France). Henriette along with her mother spent some time in prison for sheltering Priests during the French Revolution. The time spent in prison would change her outlook on life. What she experienced and witnessed changed her vision of reality. Pierre Coudrin (the Good Father) directs her to the Association of the Sacred Heart. The Good Mother begins to feel a deep spiritual experience. She told Pierre "when you organized the adoration and assigned me an hour without suspecting it, you fixed my destiny". On 20th. October 1800 The Good Mother and four companions took their first vows. On Christmas Eve of that year the Founders solemnly make definitive vows. This date marks the birth of our Congregation. *At the time of her death in 1834 she had founded 17 communities and accepted 900 Sisters for profession in the Congregation.*

The Lighter Side !

Sr. Mary, who worked for a home health agency, was out making her rounds visiting home-bound patients when she ran out of petrol. As luck would have it, the petrol station was only a few minutes down the road. She walked to the station and asked to borrow a petrol can. The attendant told her that the only can he owned had just been lent out, but she could wait until it was returned. Since the nun was on the way to see a patient, she decided not to wait and walked back to her car. She looked for something in her car that she could fill with petrol and spotted the bedpan she was taking to the patient. Always resourceful, she carried the bedpan to the station, filled it with petrol, and carried the full bedpan back to her car. As she was pouring it into her tank, two men watched from across the street. One of them turned to the other and said, **"If that car starts, I'm turning Catholic."**
