Saint Damien hailed by Pope Francis in his Message for World Day of the Poor

In his Message for World Day of the Poor, the Pope launches a strong appeal to Christians and governments around the world to intervene urgently and in a new way, because the number of the poor has increased disproportionately, their situation exacerbated by the pandemic. It is necessary to change lifestyles, because it is selfishness that causes poverty. In this text, released on 14 June, Francis cites in a paragraph the example of our very own brother Saint Damien:

"Many are the examples of saints who made mutual sharing with the poor their life project. I think, among others, of Father Damien de Veuster, the saintly apostle to the lepers. With great generosity, he answered the call to go to the island of Molokai, which had become a ghetto accessible only to lepers, to live and die with them. He rolled up his sleeves and did everything he could to improve the lives of those who were poor, ill and outcast. He became both doctor and nurse, heedless of the risks involved, and brought the light of love to that "colony of death", as the island was then called. He himself contracted leprosy, which became the sign of his total sharing in the lot of the brothers and sisters for whom he had given his life. His testimony is most timely in our own days, marked by the coronavirus pandemic. The grace of God is surely at work in the hearts of all those who, without fanfare, spend themselves for the poorest, sharing with them in concrete ways".

The Lighter Side !

Little Johnny and his family were having a Sunday dinner at his grandmother's house. Everyone was seated around the table as the food was being served. When Little Johnny received his plate, he started to eat right away. "Johnny! Please wait until we say our prayer," said his mother. "I don't need to," the boy replied. "Of course, you do," his mother insisted. "We always say a prayer before eating at our house." "That's at our house." Johnny explained..... *"But this is Grandma's house, and she knows how to cook."*

Polish Reflection on this week's Gospel

After the resurrection of the Lord Jesus, we should no longer look at the world and the people around us as before. We shouldn't "judge anyone by the standards of the flesh" as Paul says in his letter. However, we usually forget about it and we are like the disciples of today's gospel. Terrified that they might die in a storm at sea. 'How is it that you have no faith? Jesus asked them. When you look at this world, do you have faith that Jesus is in complete control of everything?

Po zmartwychwstaniu Pana Jezusa nie powinniśmy już patrzeć na ten świat i na otaczających nas ludzi tak jak wcześniej. Nie powinniśmy 'osądzać nikogo według ludzkiej oceny' jak mówi Paweł w swoim liście. Zazwyczaj jednak o tym zapominamy i jesteśmy jak uczniowie z dzisiejszej ewangelii. Przerażeni, że mogą zginąć podczas burzy na morzu. 'Wciąż jeszcze nie macie wiary? - zapytał ich Pan Jezus. Czy kiedy patrzysz na ten świat, to masz wiarę, że Jezus całkowicie panuje nad wszystkim?
