Pope Francis Tweets !

The international community must work together to guarantee access and sanitation services for everyone, so that the right to water, which is none other than the right to life, to a future, to hope, might become a reality at the universal level. **World Water Day**.

Chosen and loved by God, we are called to live "as is fitting among the saints" (Eph 5:3), to clothe ourselves with sentiments of goodness, humility, magnanimity, bearing the fruits of the Spirit.

The Lighter Side !

The cowboy lay sprawled across three entire seats in the posh Texas movie theatre. When the usher came by and noticed this he whispered to the cowboy, "Sorry, sir, but you're only allowed one seat." The cowboy groaned but didn't budge. The usher became more impatient. "Sir, if you don't get up from there, I'm going to have to call the manager. The cowboy just groaned. The usher marched briskly back up the aisle. In a moment he returned with the manager. Together the two of them tried repeatedly to move the cowboy, but with no success. Finally, they summoned the police. The cop surveyed the situation briefly then asked, "All right buddy, what's your name?" "Sam," the cowboy moaned. "Where ya from, Sam?" With pain in his voice Sam replied.... ***"The balcony."***
