### **The Lighter Side !**

Father's Day was near so I brought my three-year-old son, Tommy, to the card shop. Inside, I showed him the cards for dads and told him to pick one. When I looked back, he was picking up one card after another, opening them up and quickly shoving them back into slots, every which way.

"Tommy, what are you doing?" I asked. "Haven't you found a nice card for Daddy yet?"

"No not yet " he replied. "I still can't find the one with the money in it."
