**PLEASE NOTE: MASS FOR THE FEAST OF THE ASSUMPTION OF THE BLESSED VIRGIN MARY WILL BE CELEBRATED THIS COMING TUESDAY MORNING, 15 AUGUST AT 10.00AM.**

We extend our heartfelt appreciation and thanks to the members of the local Residents Association who, conscious of the periods of inclement weather, are about the task of keeping our immediate area devoid of thrash, maintaining the green areas with their flower beds, and at the moment, scraping, cleaning and painting the stretch of wall along the old Naas Road  
Thank you so much for your hard work and civic spirit!

This weekend some members of the local Conference of the Society of St. Vincent de Paul will be available after all Masses to receive donations from among us. As always, such donations are most appreciated. The ministry of service by the local Conference and its ability help to those in need is only possible because of the kindness of the members of our parish community both with donations and prayer.

*Thank you very much for your help!*

This year, **Trocaire**, the Aid Agency established by the Irish Conference of Catholic Bishops celebrates 50 years in existence. From the outset, it has sought to reach out to the wide variety of needs of local communities throughout the Developing World with a sundry of locally-determined projects including self-help. community development, health and hygiene, skills training and education. Currently, it is ministering in 16 countries, and in this past year alone, it has been working with close to 2 million people. Again, its ministry is only ever possible through your kindnesses in both prayer and financial help. Sincere thanks!!

*You may not always see the results of your kindness....but every bit of positive energy you contribute to the world makes it a better place for all of us*

### **The Lighter Side**

An elderly lady decided that the new aerobics classes at the parish centre would be the answer to all her aches and pains. She signed up and paid in full in advance. After the first class though she quit and the instructor anxious to find out why her presence was so short-lived, approached the lady and asked her why she had quit so soon. "Well its like this" said the lady, "I bent, twisted, gyrated, jumped up and down and sweated for an hour. But by the time I got my leotard on, the class was over!"
