At the end of Masses this weekend, the monthly collection for our local conference of St. Vincent de Paul (**SVP**) takes place. Again, may I add how its ministry among those in our community who are materially struggling, and who, because of your prayer and financial assistance, benefit from the advice and help from the members of the SVP. *Thank you so much!*

Many thanks for donation of a total of **€190** received at each of last weekend's Masses towards the ministry of **ACCORD Dublin** in work among children, teens, families, and couple, including those preparing for marriage.

A training session for the members of the newly-established Parish Pastoral Partnership took place on Saturday last. From among our members of the Parish Pastoral council, Eucharia Meredith Gregg, Chris Lach and Fr. Vincent were in attendance. It was found to be very helpful in providing us with a 'template' to move forward as a pastoral partnership into the future. Needless to say, you will be kept abreast of developments.

Friday 1st March is our first Friday where all our sick and house-bound are visited. Let us continue to hold up in our thoughts and prayers the homebound/sick, those residing in nursing/residential care facilities, and those currently in our hospitals. *If you know of anyone who would like a visit from either Fr. Michael or myself, please let one of us know.*

Friday, 1st March, the prayer of the Stations of the Cross immediately after morning Mass. The stations will be led by members of the Rosary Group.

Congratulations to the boys and girls from our two Second Class groups who celebrated the sacrament of Reconciliation (Confession) for the first time in recent days. *Our thanks to the staff who prepared them so well beforehand!*

The Lighter Side !

A very overweight man goes to his doctor for some advice on dieting. "I have the perfect diet for you" said the Doctor. "Just follow the food intake on this sheet for two days, and then skip a day. Come back to me in two weeks and we'll see how you are doing then." Two weeks later the patient, a shadow of his former self, shows up for his appointment to his Doctor who gasped "My goodness, what happened to you?" "You couldn't have lost such a huge amount of weight from my diet. Did you not follow the instructions exactly as I gave you?" "Dear God, I did Doctor" he replied, "but it was the skipping for a day, that nearly killed me!"
