Congratulations, prayers and best wishes to the infants who received the ***Sacrament of Baptism*** on Sunday last, and to their parents, godparents and families: Hazel & Arlo Hammond & Rian Smullen.

Friday week is the '***First Friday***,' of the month when our sick and housebound are visited and brought Holy Communion. Please let us know of anyone who is not on our list and who would like a visit. There are plenty of newsletters printed every weekend, so please take one home to give to a friend or neighbour who cannot get to Church.

**Thursday next is the Feast Day of Saint Teresa of Kolkata:** One of her favourite prayers '***Anyway***,' goes: *"People are often unreasonable, illogical and self-centred: Forgive them anyway. If you are kind, people may accuse you of selfish, ulterior motives: Be kind anyway. If you are successful, you will win some false friends and some true enemies: Succeed anyway. If you are honest and frank, people may cheat you: Be honest and frank anyway. What you spend years building, someone could destroy overnight: Build anyway. If you find serenity and happiness, they may be jealous: Be happy anyway. The good you do today, people will often forget tomorrow: Do good anyway. Give the world the best you have, and it may never be enough: Give the world the best you've got anyway."*

Please keep our **Sacred Hearts General Chapter** that **begins in Rome on 1st September** in your prayers. The General Chapter takes place every six years and plans for the Congregation's vision, life and mission for the next few years, as well as electing the Superior General, Vicar General and three General Councillors. Fr Derek Laverty ss.cc. whom many of you know, **has been serving as Vicar General for the past six years.** Fr Michael & Sr Aileen will be the Delegates representing these parts.

### ON THE LIGHTER SIDE!

A single guy is dining alone in a fancy restaurant and there's a beautiful blonde woman sitting at the next table. He couldn't help himself from staring and admiring the woman, but doesn't have the courage to start talking to her. Suddenly she sneezes, and her glass eye comes flying out of its socket toward the man. His reflexes kick in and he reaches out, plucks it out of the air, and hands it back to her. The woman is mortified. 'Oh my, I am so sorry,' she says as she pops her eye back into place. 'Let me buy your dinner to make it up to you.' So he joins her table and they enjoy a wonderful meal together. Afterwards they go to the theatre followed by drinks at a bar. They talk, they laugh, she shares her deepest dreams and he shares his. She listens. The woman pays for everything and the guy is amazed at how everything has been so perfect and how incredible she is. He can't believe his luck. 'You know,' he said, 'you are the perfect woman, are you this nice to every guy you meet?' 'No,' she replies, 'You just happened to catch my eye.'
