## **ON THE LIGHTER SIDE!**

Two men are walking their dogs: a **Poodle** and a **Labrador**. They decide they'd like to go into a bar for a drink. "**But we can't bring our dogs into that bar,**" says the Poodle's owner. "**No problem,**" says the Labrador's owner. "**Just watch this.**" He pulls out a pair of sunglasses and walks into the bar. "**Hey, no dogs!**" yells the bartender. "**But this is a guide dog,**" says the Labrador's owner. The bartender apologizes and shows them to a chair. So, the Poodle's owner decides to follow suit, whips out his sunglasses, and walks into the bar. "**Hey, no dogs!**" yells the bartender. "**But this is a guide dog,**" says the Poodle's owner. The bartender objects, "**Hey, Poodles can't be guide dogs!**" The Poodle owner gasps, and feeling the dog's head, says: "**Oh no! Don't tell me the guide dog association have sent me a poodle?!**"
