PLEASE SWITCH OFF ALL MOBILE PHONES OR PLACE THEM ON SILENT BEFORE MASS BEGINS

A big thank you to all who worked so hard to make Friday night's senior party so memorable: the *Parish Pastoral Council*, *our singers and musicians*, *those who prepared and served the refreshments*, Joe Moore, our *MC* for the evening and all those who attended.

As has been customary, there will be *Stations of the Cross*, after Mass every Friday during Lent, which each week will be led by a different parish group. Also, a new initiative "*Bringing Jesus Home*," discussed at the last meeting of the combined Clondalkin parishes, is to be offered during Lent. Parishioners will be invited to host a **short period of Adoration** in their home, where they invite friends and neighbours to attend. This will involve **collecting the monstrance from the Church**, before the planned time of Adoration, and returning the Monstrance to the Church afterwards. A *simple prayer schedule sheet*, will also be provided. Please leave your name, address and phone number in the Sacristy, if you would like to host such a time of Adoration in your home.

Relationship Care

A big thank you for your generosity last weekend in supporting the **ANNUAL COLLECTION** for *Relationship Care/Accord* and *thanks in advance for this weekend's retiring collection* for our *Sruleen Conference of the St Vincent de Paul*.

Calling all young adults. During five Thursdays in Lent (beginning February 26th) there will be Gospel reflections on the Following Sunday's Gospel. This will be *via Zoom* from 7pm-7.45 pm. See the poster on the *notice board* for further information, and which also has a QR code to register.

ON THE LIGHTER SIDE!

A Christian couple experiencing marital problems sought out the advice of a marriage counsellor. After numerous sessions, it became quite evident that their problems centred on monetary issues. "*You have to quit spending money foolishly*" he said. "*The next time you feel tempted just forcefully say, "Get behind me Satan!"*" They both agreed that this would work. Within a week things were getting back to normal in their household. The husband quit making his daily visit to the bookies and his wife, who was chronic spendthrift obsessed with purchasing the latest fashions, ceased buying expensive dresses every time she went outshopping. For whenever they got the urge to spend money they would both repeat the words, the counsellor told them, "*Get behind me Satan.*" However, by the third week the woman succumbed to her weakness and bought an extremely expensive evening gown. Her husband was furious "*why didn't you say, "get behind me Satan"*" "*I did*" replied his wife "*but when I did I heard his response*" "*Yah and what was that response*" growled back her husband. "*Well I heard him say, "It looks better from the back than it does from the front!"*"
