ON THE LIGHTER SIDE!

A priest, a minister and a guru sat discussing the best positions for prayer, while an electrical repairman worked nearby. **"Kneeling** is definitely the best way to pray," the priest said. "No," said the minister. "I get the best results standing with my **hands outstretched to Heaven.**" "You're both wrong," the guru said. "The most effective prayer position is the **lotus position**, sitting cross-legged, where each foot is placed on the opposite thigh. The repairman could contain himself no longer. **"Hey, fellas,**" he interrupted. **"The best praying I ever did was when I was caught hanging upside down from an electric pole."**
