Pope Leo's Prayer intention for **August**, concerns '**Evangelisation in the City.**' He asks us to pray that: 'In large cities, often marked by anonymity and loneliness, we find new ways to proclaim the Gospel, discovering creative paths to build community.'

BLESSING PRAYER FOR THE FULLNESS OF THIS DAY

I bless this day in the fullness of the good it already contains,
in the many occasions it offers to listen deeply, to be of service to others,
to express gratitude moment by moment and to keep my mind so filled with love,
beauty and joy, that no negativity can find even the tiniest crack in which we set foot.
I bless this day in the infinite opportunities it gives me to love: to love and bless
every person I meet, every beast or bird I pass by, every plant I behold,
for all are but the manifold expressions of the infinite Life that undergirds all.
Truly, I bless this day for the wonderful adventure it can become
as I walk through it with eyes of wonder rather than boredom,
use every opportunity to express peace rather than irritation,
and choose love over fear.
Thank you, Lord, for this day.

ON THE LIGHTER SIDE!

The sheriff of a small town was also the town's veterinarian. One night the phone rang, and his wife answered. An agitated voice inquired, "*Is your husband there?*" "*Do you require his services as a sheriff or as a vet,*" the wife asked? "*Both,*" the caller replied. "*We can't get our dog's mouth open, and there's a burglar's head in it!*"
