### Prayer to St Simon

O Glorious St Simon, you were a cousin of Jesus and a devoted follower as well. You were called "the Zealot," indicating that you were willing to give your life for your religion and your freedom as a human person. Obtain for us the grace to be willing to give our lives for Christ and to labour for the freedom and peace that only God can give. Help us to spend ourselves for God on earth and be received by him in eternal bliss in heaven.

### Prayer to St Jude

O Glorious St Jude, you were honoured to be a cousin as well as a follower of Jesus, and you wrote an Epistle in which you said: "*Grow strong in your holy faith through prayer in the Holy Spirit.*" Obtain for us the grace of being people of faith and people of prayer. Let us be so attached to the three Divine Persons through faith and prayer on earth that we may be united with them in the glory of the beatific vision in heaven. **[Feast Day: 28<sup>th</sup> October]**

**Clondalkin Partnership of Parishes** invite you to a series of **Life-Giving Seminars**, as a way of renewing our life of faith in Christ, through the Holy Spirit, every **Tuesday evening** in Sruleen Parish Centre at 7.30 pm and running for seven weeks. Don't miss this opportunity to join with others on a journey of faith, renewal, discovery and surprises. Bring a friend and look forward to encountering the Holy Spirit in a new, real, and living relationship.

This weekend the **Monthly Collection** for the **Sruleen SVP** Conference takes place after the Masses. A big thank you in advance for your generosity and to our **SVP volunteers** who, because of your generosity, are able to assist the needy here in Sruleen.

The **November Mailing** [including the November Altar List sheets] are now available for delivery throughout the Parish. '*Many hands make light work,*' so to help share the load, please volunteer to distribute these to houses on your street. Many thanks, and also to all who folded and prepared the mailing this week.

### On the Lighter Side!

A **carpet layer** had just finished installing carpet for a lady. It was a big job that entailed a **large expanse of carpet** throughout her extensive living room. He wanted the job to be one that would last, so the edges were **secured, both with tack trips and glue**. After completing his work, that took most of the morning, he stepped outside for a smoke, only to realise he'd lost his cigarettes. He noticed that right in the middle of the room, **under the carpet, was a bump**. '*No sense pulling up the entire floor for one pack of smokes,*' he said to himself; so he proceeded to get out his mallet and flattened the hump with as much force as he could muster. As he was cleaning up, the lady of the house came in. '*Here,*' she said, handing him his pack of cigarettes. '*I found them in the hallway.*' '*Now,*' she said, '*if only I could find my gerbil!*'
