CLONDALKIN PARTNERSHIP OF PARISHES invite you to a series of **LIFE-GIVING SEMINARS**, as a way of renewing our life of faith in Christ, through the Holy Spirit. Beginning this **Tuesday evening 6th October**, in Sruleen Parish Centre at 7.30pm and running for seven weeks, the first seminar will focus on the theme of **God's Love**. Don't miss this opportunity to join with others on a journey of faith, renewal, discovery and surprises. Bring a friend and look forward to encountering the Holy Spirit in a new, real, living relationship.

"If families give Our Lady **fifteen minutes a day** by reciting the Rosary, I assure them that their homes will become, by God's grace, peaceful places. Countless families the world over, **invite Mary into their homes** through the family Rosary. She comes. They sense her presence. They solve their problems because **where Mary is present, there is Christ**, her Divine Son. The Family that prays together, stays together and a world at prayer is a world at peace." (*Venerable Fr Patrick Peyton*)

POPE LEO'S PRAYER INTENTIONS FOR THE MONTH OF OCTOBER concerns **mental health ministry**: "*Let us pray that the mental health ministry be established throughout the Church, helping to overcome the stigma and discrimination of persons with mental illnesses.*"

Please maintain **the silence of the Church** before Masses, so others who silently and reflectively want to pray and prepare for Mass may do so unhindered. There is **always plenty of time** after Mass to meet, greet and catch-up with others. Thank you.

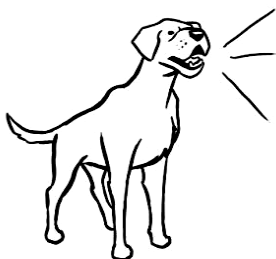

Our Parish is constantly in need of new **MINISTERS OF THE WORD** (Readers) both for weekday Masses and for weekend celebrations. Please consider becoming a Reader and sharing the **Word of God in the Holy Scriptures**, with your Sisters and Brothers. Please leave your name and phone number into the sacristy or presbytery.

In honour of the feast day of **ST FRANCIS OF ASSISI**, the annual **BLESSING OF ANIMALS** will take place on **Sunday 4th October at 3pm** in the car park at the front of Clondalkin Village Church. All animals and their owners are welcome.

ON THE LIGHTER SIDE!

One night, the normally **well-behaved dog** of a couple, suddenly began barking almost every night at around 3am. Irritated and sleepy, the husband searched the backyard for what might have disturbed this otherwise peaceful animal. For three days he found nothing amiss. When the **dog woke up the neighbourhood a fourth night at 3am** with frantic barking, the husband finally snuck around the house through the alley, only to discover their very quiet neighbour, the last man you'd suspect of wrongdoing, **throwing stones over the fence at the dog**. The husband demanded to know what he was doing. "*My mother-in-law is visiting,*" the embarrassed neighbour explained, "*If she gets woken up in the middle of the night one more time, she says she'll leave!*"
